Beloved International Teaching Center,

Reference is made to your letter to us dated 4 January 2008.

We have consulted regarding the list of Persian/Arabic language printed, audio, and visual materials held in the Office of Persian and Arab Affairs in London.

We would like to suggest to put all the materials under the disposal of the National Assembly of United Arab Emirates as they are financially capable, their country is the most visited by believers from our region and the Cradle, they have frequent passengers to London, and many Persian speaking believers residing in nearby Gulf states will have an easy access to the materials.

Should our suggestion be acceptable, please send us your guidance which materials are for sale and/or free distribution.

Warm and loving greetings,
Fadel Ardakani, Amina Jaouane, Muna Tehrani
